DEDICATION

- 30 -

It is well-known in publication circles that the symbol —30— signifies the end of a piece of work. What could be more simple and direct than using this mark of completion in dedicating the 1944 *ROUSER* to our fellow students who have given their lives in this, the greatest of wars. We sadly, but proudly mark our 30's after each gallant name, knowing that even though their work has been completed they will not meet oblivion, for we still have the final publication, the sum total of their efforts, Victory.

We, the students of R-B. H. S. humbly dedicate this book to the memory of those students.

THE CITY DESK PRESENTS ITS BIGGEST STORY

The city desk reports news which the editor "thinks" will be of interest to its readers.

Our city desk reports its biggest scoop of all times—the story about you and your friends. This story is prepared for you, and we "know" that it will interest you not only today, but will be a haven of enjoyment and relaxation for many years hence.

It covers, in a streamlined form, the news that you have made in the classrooms, during athletics, at parties, dances, and on other occasions. The photographs and illustrations give you a few glimpses of how we saw you.

We assure you that this mighty story about you will be read very eagerly and with great interest by all your friends.

CONTENTS

BOOK I: PERSONNEL

Teachers and students have combined their efforts in making, recording, and compiling this news for you. They are the leading figures in this front page of your life here at R-B and if you look carefully you'll see that they've included you.

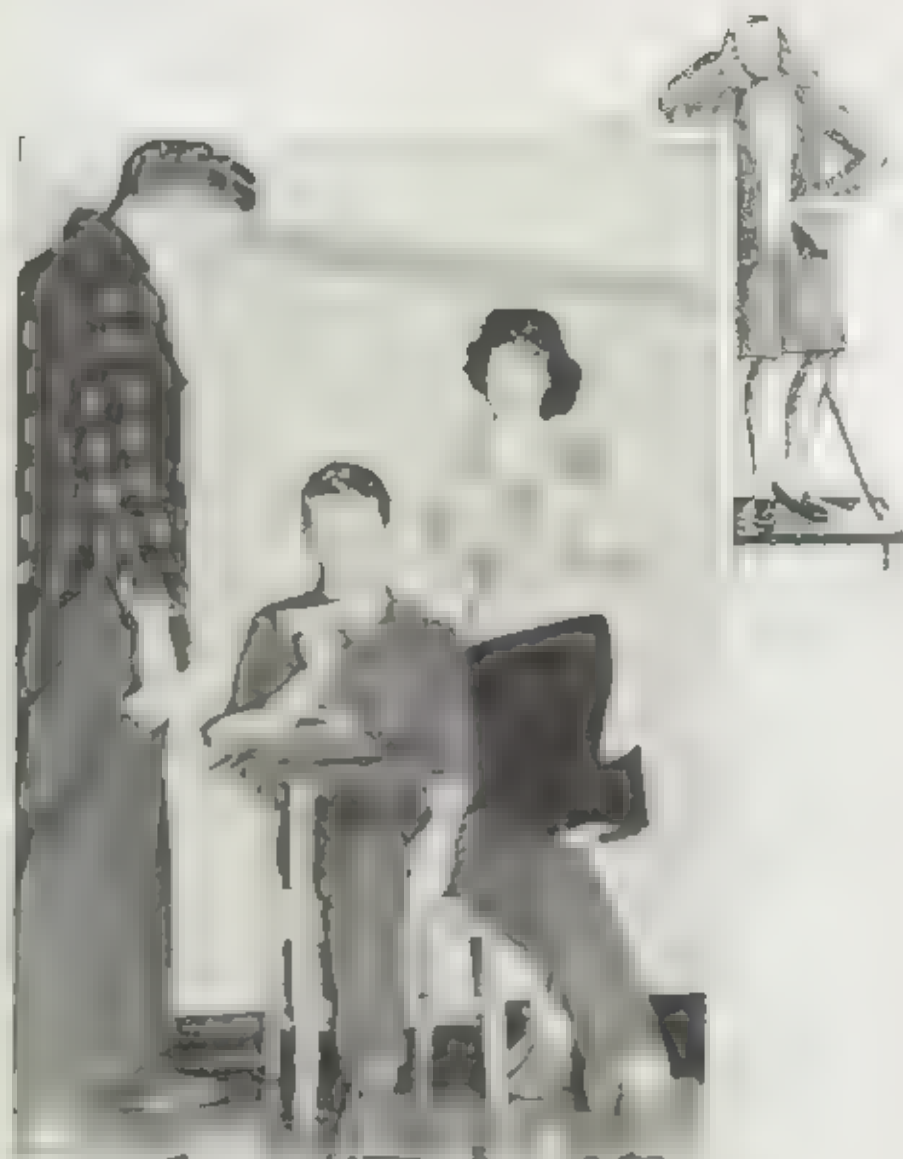

BOOK II: SOCIETY NEWS

Here you are rigged out in your best bib and tucker and wearing your "Sunday" behavior. You'll see yourself in pictures we've snapped at clubs, plays, parties, and musical events.

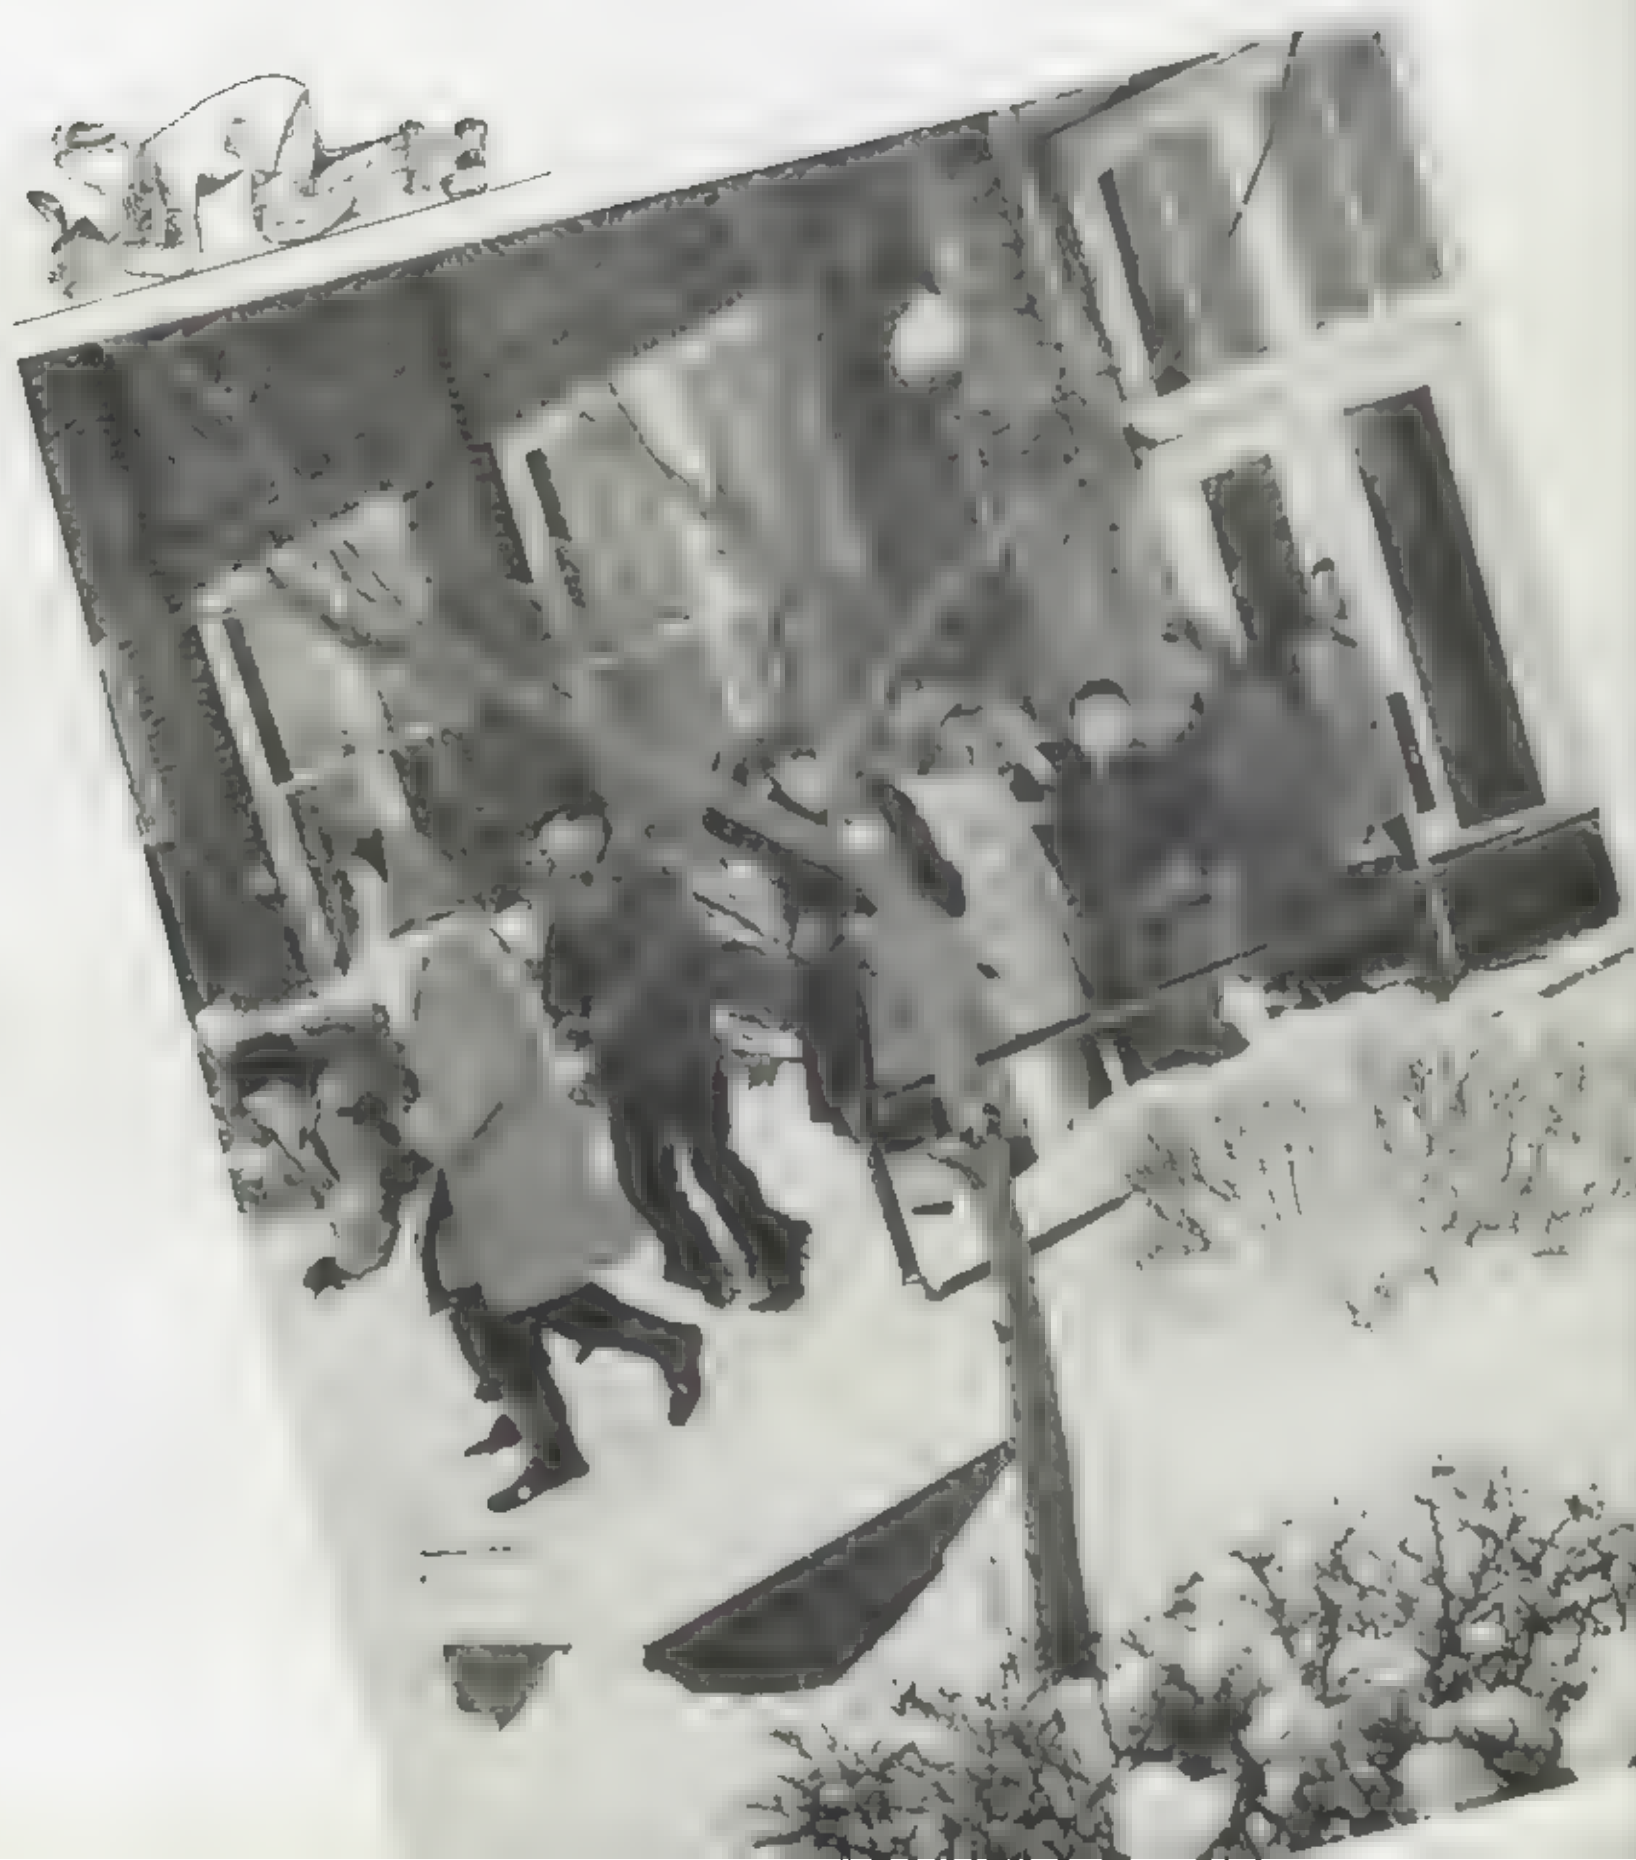

BOOK III: SPORTS

Our city desk would indeed be barren without material for its sport pages. From where we sat we saw some fine sportsmanship, as well as, good players and we know that our pictures and stories will bring you some of the actual thrills you had while participating in these sports.

Seniors Message

To our citizens of tomorrow, to our students of today, it is our foremost purpose to provide you with training essential to the wise, effective, and rational reconstruction of a world in disorder.

With the sacrifices that more than a thousand of our own boys and girls in the armed forces are making today, it is the very least to ask that we be prepared to carry on when they have won the battles to end the war.

*I. E. HAEBICH
Superintendent*

BOARD OF EDUCATION

The Board of Education has had a very busy year, the development of our athletic field has been successful but slow in these difficult times when materials of construction and labor are very scarce. Improvements and repairs of our building have been attended to and our Home Economics bungalow is now functioning as a very fine laboratory for girls in the Household Arts.

Provision of adequate funds to carry on a full school program for all the boys and girls of the community is another large task of the Board

Mr. Irvin A. Busse is the president and Mrs. C. B. Allen, Mr. Francis J. Benda, Mr. Frank E. Hodek, Jr., and Mr. James C. MacGowan are the present members of the High School Board of Education.

LEONARD STEIN, President of the Pop Club With Leonard to lead us we cheered and cheered and cheered!

SENIORS

1940-1941

Defying tradition, Mr. Roosevelt accepted a third term... London was smouldering... Selective Service began the depletion of our manpower... the Lend Lease program was thrown into high gear... and we began making our own history as freshmen. Could we ever forget our first year... the newness of high school, inquisitive glances from upper classmen, and misinformation about the elevator to the third floor.

We entered shyly but proudly into student activities, joining all the clubs we could, and sending our representatives to the Student Council.

To guide us through our first year, we elected Leslie Peterson as our President; John Molitor, Vice-President; Jean Trinko, Secretary; and Charles Ioas, Treasurer.

1941-1942

Japan attacked Pearl Harbor... Bataan and Corregidor fell... American manufacturers faced the task of wartime production... tires, sugar, and gasoline were rationed to civilians... and people began to realize what total war meant as we began our second year in R-B. We commenced the year with confidence and a feeling that we were a working part in the school machinery. The shyness of our first year gone, we began to take a more prominent place in school affairs, and really went over the top in R-B's magazine drive. For our class officers we chose Russell Hornbaker, President; Larry Keoughan, Vice-President; Sandra Wilson, Secretary; and Beverley Crowe, Treasurer.

1942-1943

The invasion of North Africa... Guadalcanal fell to the Marines... El Alamein marked the turning point of the African campaign... the Casablanca conference laid plans for Allied war strategy... and we assumed the coveted role of upper-classmen. As Juniors, we set the pace for the entire student body with record-breaking magazine sales. Our dramatic talent was displayed for two successful evenings in our class play "Footloose." With funds from these two endeavours, we financed our highly successful Junior-Senior Mixer and Prom.

It was during this year that make-up sheets made their initial appearance.

Our officers elect were Leslie Peterson, President; Shirley Drazil, Vice-President; Sandra Wilson, Secretary; and Eugene Kavanaugh, Treasurer.

1943-1944

Allied forces invaded Italy... the air war on Germany increased in intensity... strikes threatened our production schedules... the Cairo and Teheran conferences made world history... and at last amid this conflict we are seniors. Our last year at R-B hurries by, highlighted by the opening of our new athletic field, school dances, the senior play, and finally commencement. To lead us in our final year we picked Gloria Colgrass, President; Joe Scott, Vice-President; Elsie Franson, Secretary; and Norma Hardt, Treasurer. Now we look back with deep affection and see four happy years of work and play. We are prepared to make for ourselves a place in this world. We can and we will.

HEAVYWEIGHT FOOTBALL

The heavyweight team this year was sparked by ten returning lettermen—seven of whom were seen with the team last year, while three rose up from the ranks of the lightweights.

The team put in a good season to gain third place in the West Suburban Conference.

The regular ends on this year's team, Captain G. Kennedy and "Bucksaw" Welgos, and the tackles "Goode" Bob Carr and "Votts" Shanel played top-flight football. Sophomore "Mack" McKinley played a "big up" season at center while "scrappy" D. Kennedy and stocky L. Stein held down the guard positions with great fortitude.

In the backfield we had quite a few fancy runners. Jockey Jerry Olsen emerged from last year's tackle position to play a swell season at fullback. Darling Don Laser thrilled the crowds with many a fancy get-away, while flashy D. Slocum and steady G. Melichar danced around from the halfback spots.

We were indeed fortunate this year in having a capable list of substitutes headed by "Swede" Nelson, "Windy" Whitney, and "Bonecrusher" Land.

Others doing commendable work included: Sophomores D. Froelich and C. Salak; Juniors H. Aschburner, B. Baumrucker, D. Ferrette, and J. Radic; and Senior B. Hannemann.

LIGHTWEIGHT FOOTBALL

R-B finished another successful lightweight football season by capturing third place. This year's team was well coached by Mr. Shuey and Mr. Dudley. Victories were accomplished over Maner, Glenbard, Hinsdale, and La Grange, while Downers and York proved to be too tough for the Broncs.

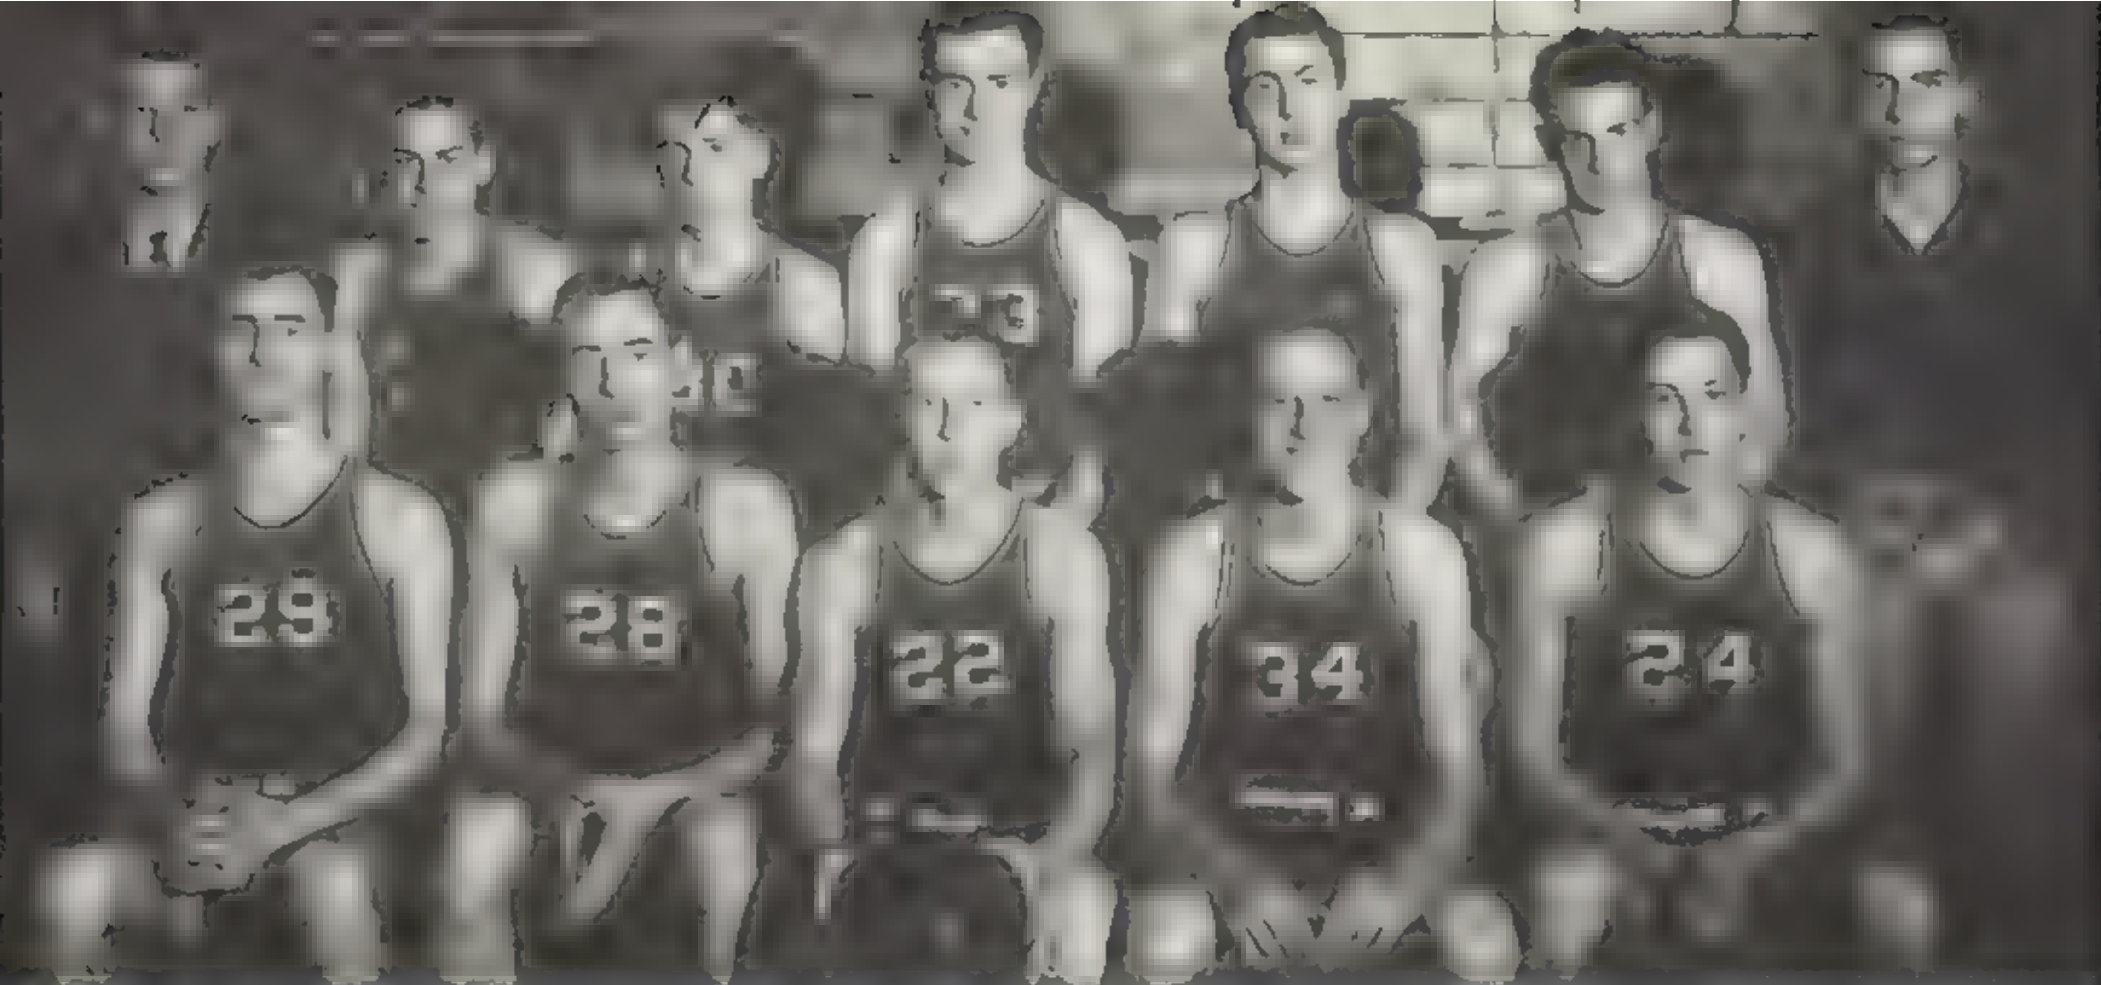

Of the seventy-eight points scored, Seyl tallied 18, Olsen 18, Brenton 12, Heimerdinger 12, Kavanaugh 12, and Pearl 7.

The lights' high scoring attack was led by hard-hitting Jim Olsen in the fullback spot. The halfback posts were filled by speedy Herb Seyl, a junior, playing his first year of football and sophomore, speed flash, Stan Brenton.

Plus a crackfield reserves were Bob Hill, Bill Weise, Gene Kavanaugh, and Jack Lohnes.

The ponies had two cracker jack ends in Earl "Puff-puff" Freitag and sophomore Emil Hracek, ably backed up by Herb Franson and Tom Michel. The tackle spots were filled by spirited Don Brunson and victors John Janovec. John entered military service mid-way in the season giving Doc Dykinga and Larry Keoughan the opportunity of filling the gap. "Automatic Jack" Pearl and a de-kettow McGrath played heads up ball all year as guards, with Simmons and Daw in reserve. The vital center spot was covered by Sal Elardo and Vern Knourek.

HEAVYWEIGHT BASKETBALL

Due to illness and other misfortunes our heavyweight basketball team started out with a bad season. It was not until after the Christmas holidays that their full strength was intact.

In spite of this our heavies tied for third place in the West Suburban Conference by capturing five triumphs in twelve games. First place was taken by Glenbard with Hinsdale running up a second.

The team was led by Captain George Melichar, guard and letterman of last year's lightweights. George was the spirit of the team and one of the steadiest guards in the conference.

A holdover letterman of the heavyweights was Nutane "Babe" Reisser, who had little playing experience and missed four games due to illness, but later proved to be a fine offensive as well as defensive player.

Another holdover was mucky John Sentz, center and high scorer of the team, who used his height to advantage on the backboard and on defense.

Coach Dudley uncovered sophomore strength in Dean Froelich and Albert Dougherty, who divided the time at the forward position. Another sophomore George McKinley and junior Earl Nelson divided the guard position with George Melichar. All of these four boys lacked experience but developed with the season.

George Schreiber, junior, a towering man on the team duly filled the center position.

Bob Lukas, a freshman find, and Dave Jansen, returning letterman, could always be counted on to do their best when called upon.

Jumping at the chance.

Eager Beaver.

LIGHTWEIGHT BASKETBALL

The 1943-44 Lightweight basketball team, under Coach Stacy, had a very successful season, ending in a tie for second place in the West Suburban Conference. Defeating Hinsdale and Glenbard twice, and Mayme, York, and Elmhurst once, the season's record was seven wins and five losses.

The right attitudes of the lightweight team, namely, sportsmanship and teamwork, made the team click as one.

Sparking the team was senior Earl Freitag, who tallied 91 points in the conference race. Coach Stacy's choice for the companion forward was usually between plucky Jack Hill and tricky Jack Ziszik.

The center spot was only filled by Don Arboe, but unfortunately he broke his arm, and the position was taken over by Carl Fazekas, a senior, who clicked well in the later games.

Herb Sevl, fast guard, did a lot to help the cause, as did Rocky Gray, considered to be the best ball handler on the squad.

Only graduating members of the team are Earl Freitag and Carl Fazekas, so the lights are looking forward to a good season next year with the new members and Herb Franson, Don Heimerdinger, Don Bartlett, Peter Moore, Sam Bartlett, Ed Daw, and Jack Lohnes, who saw some action this season.

WRESTLING

R-B's matmen in the 1943-1944 season gained a fairly impressive record. Wrestling top teams in the state every time, R-B's grapplers took three of their ten matches, one an impressive win over Geneva.

Losing twice to Elgin, twice to La Grange, once to Morton, and once to Geneva, R-B took Hinsdale twice and Geneva once.

Four of the team members, Kronemann, Hill, Brunson, and Ferrette, went downstate to Champaign to try their luck. Kronemann and Ferrette received third and fourth place in their weight classes, while Brunson and Hill narrowly missed titles.

Returning next year are strongmen Jerry Olsen, Dykinga, Radic, Shemanske, and Wickstrom, plus the above mentioned. The only graduating man on the team is scrappy Dick Simmons. A host of fine grapplers who were reserves this season will be back next year to fill out a fine squad.

CROSS COUNTRY and TRACK

The 1943 cross country team was piloted this year by a new man, Mr. Duval, who took over where Mr. Newton left off last year. The team took third place in the Conference Cross Country meet with Bill Weise placing ninth, followed closely by E. Tehle, T. Kolar, W. Steinbrecher, and G. Horne.

The track team, at this writing, has not as yet participated in any meets, but under the able coaching of Mr. Newton, assisted by Mr. Stanger, the boys are getting into shape for what looks like a highly favorable season. A large array of last year's lettermen are back as well as many promising newcomers.

The Frosh-Soph track squad attracts little attention, but these underclassmen work hard, and are usually highly successful in the Little Four and other meets in which they participate.

Our new athletic field has been a great asset, giving the team much better facilities than were previously available.

Golf

With Mr. E. A. Jenkins, six years golf coach at Potosi High School, as the new coach, the possibilities of R-B's tee and fairway men for 1944 look bright. Although there are no returning lettermen, a number of the squad's candidates will undoubtedly be earning in the eighties, when this *ROUSER* is released.

Tennis

Coach Thompson's 1944 tennis team, at this writing, is looking forward to a very successful season. Losing only two lettermen, mainstay Mark Coons and peppy Dave Beater, the prospects look bright with four lettermen returning and a host of capable racketeers trying for the top seven.

Lettermen returning are Don Ashley and Joe Scott, seniors, and sophomores Ray Beindorf and Neil Johnson.

Last year's team was second in the six team District Tournament and third in the Conference. This year's team should equal or better this record, since many schools are losing players to the services.

Baseball

As soon as the first signs of spring appeared, Mr. Lybeck was out working with the boys on his baseball squad. Although it is a comparatively new sport at R-B, the baseball team boasts a number of experienced players and not a few boys with fine potentialities. At this writing, the season has just begun and the boys are working hard to get into shape. Coach Lybeck has expressed hopes of a highly favorable season.

Freshmen and Junior Varsity Basketball

The freshmen and the junior varsity basketball teams were organized to instill an interest in basketball among those boys who are not yet ready for the varsity team and also to give the coach an idea of what material he will have in the future. The freshman team is composed entirely of freshmen and the junior varsity of sophomores and juniors.

Both teams had a highly successful season of seven games each. The freshmen came out on top in six of their contests and the junior varsity won five. Coach Dudley expresses high hopes for the varsity teams of the next several years, judging from the performance of these younger boys. The first string of freshmen was usually composed of R. Lukas, C. Miller, S. Ross, A. Middaugh, and E. Daw, assisted by L. Michaels and D. Bartlett. The junior varsity's first string changed more often, but R. Bonadell, W. Evans, R. Svacha, S. Brenton, M. Gouzin, R. Armstrong, and R. McLoughlin deserve special mention.

Boys' Physical Education

The aim of the boys' physical education program is to teach as many boys as possible the fundamentals of as many sports as possible. During the freshman and sophomore years, boys taking physical education learn the fundamentals, and, during the junior and senior years, this experience is put into practice in organized play. The sports covered were football, basketball, baseball, track and field, wrestling, boxing, and tumbling. An obstacle course, such as those used by the military services, including rope climbing to the rafters, was used by all boys. The physical training will stand R-B boys in good stead when they become of military age.

G. A. L.

The Girls' Athletic League which is sponsored by Miss Boyle, the girls' physical education teacher, is open not only to its regular members but to any girl in school who is interested in sports.

This season's work was started with archery. Marjorie Guston, Dolores Knittle, and Virginia Stevens led with the highest scores. After several weeks of archery the girls played soccer. Marilyn Morton and Gloria Bjorklund were two of the most skillful players. Both girls are in their second year in G.A.L.

December brought the girls inside and basketball practice teams were chosen. After several weeks of practicing, permanent captains and teams were chosen and the tournaments began. The captains were Nancy Woody, Norma Hardt, Virginia Stevens, and Marjorie Guston. High scorers in basketball were Catherine Jansen, Virginia Stevens, Norma Hardt, and Medea Kronemann. The team captained by Virginia Stevens was the tournament winner with Norma Hardt's team as runner-up.

At the Parents' Council Open House the G.A.L. girls put on a tumbling exhibition. Two of the best tumblers were Betty Worline and Medea Kronemann.

After basketball season the girls had badminton and table tennis tournaments. These sports are always popular not only with the members but with other girls also. In badminton Betty Marek and Audrey Lavenau are strong contenders in the doubles, and Catherine Jansen and Marilyn Morton, in the singles.

As spring rolls along, softball is the favorite sport. This is one of the most popular sports of the year. Marilyn Morton, Catherine Jansen, and Virginia Stevens were especially deft at this sport.

Girls' Physical Education

During the year the girls had a picnic and a swimming party. A scavenger hunt and games arranged by Audrey Lavenau and Betty Marek were participated in at the picnic. Free swimming and a good game of "Follow the Leader" led by Marjorie Guston was the main attraction at the swimming party.

Promising new members of 1943-1944 are M. Guston, G. Havlik, L. Havlik, A. Ewan, and G. Foreman.

Girls who have met the requirements of the League through co-operation and good sportsmanship are awarded their class awards at the school award assembly which will be held in May. Each participant should feel honored to have won this distinction in girls' athletics.

EXTRA CURRICULAR BOARD

As a method of furthering the democratic form of student government in this school, the Extra Curricular Board was formed. This Board is made up of one faculty member and one student representative from each of the ten branches of activities in the school, namely, athletics, clubs, student council, music, publications, dramatics, assemblies, and the student activity plan.

On the first and third Thursday of every month the members meet in the main office to discuss the problems confronting these divisions and to offer suggestions to relieve the situations that arise. Although the Board has no official power to put its suggested remedies into effect, many of their suggestions have been used by the Student Council, the law-giving body. This year among the many suggestions used were the awarding of letters to worthy band members and the permitting of outsiders to the annual Hi-Y and Sharclub dances. Although the Extra Curricular Board is more or less a silent partner in the school government its ideas are always held in high regard.

Officers of this year's Extra Curricular Board are Miss Ina E. Leland, Chairman; Marilyn Cuchna, Student Chairman; and Dorothy Riha, Recording Secretary.

THE STUDENT COUNCIL

The Student Council of 1943-44 under the able direction of Barbara Busse, President, and Gloria Colgrass, Secretary, has efficiently carried on its activities and fulfilled its duties to the students and faculty alike.

The Council sponsored six dances which included "Lucky Night", "Snowball", "The Gay Nineties Revue", and several basketball dances. The highly successful Stamp and Bond Drive, which derived \$3,640.00, was executed by the Council. An entirely new Ticket System was instituted. This revised and replaced the one already in use.

The members of the Council served as Red Cross representatives in addition to aiding the newly organized Patrons Council drive for membership.

Several and varied conventions were attended by members to gain a new and fresh insight which would aid in perpetuating and developing the student government system.

Rouser

Despite early deadlines, loss of men and material to the war effort, and much opinion as to the possibility of being unable to publish a year-book, the 1944 ROUSER has succeeded in coming out on schedule, due to the capable sponsor, Miss Ira E. Leland, the editor-in-chief, Helen Smith; and their hard-working staff.

This year THE ROUSER appropriately takes on a more somber note with both its cover scheme and dedication to R-B's gold star heroes. Even its theme, a newspaper's city desk, seems to have a busy, bustling but less carefree air.

The Clarion

Due to wartime expenses and shortages, the 1943-1944 R-B Clarion, although intended for weekly publication, went to press only twenty times during the year. In spite of these difficulties, the staff, editor, and sponsor deserve much commendation for maintaining a publication among the high schools contributing to the Illinois Press Association.

With all the students in the Creative Writing class participating, the Clarion presents an accurate picture of school life; reporting lyceums, plays, sports, personal anecdotes, and classroom activities.

Editor, Pat Smith; Assistant Editor, Isabel Hezlet; News Editor, Rita Helwig; Feature Editor, Jeanne Remy; Sports Editor, Joe Scott; and Sponsor, Mr. Stephan, head the staff.

National Honor Society

Election to the Riverside-Brookfield High School Chapter of the National Honor Society is a great honor for any junior or senior to receive for his excellence in scholarship, leadership, character, and service.

This year for the first time in the history of our chapter the new members were selected and initiated before the student body in an impressive ceremony at the beginning of the school year instead of at the end. This was done to give those students who graduate in mid-year a chance to be so honored.

The election is determined by the number of points received by each student. This point system allows credit for each A and B grade received, for participation in extra curricular work, general attitude, and discipline.

According to tradition, the Society again decorated the Christmas trees at Christmas time, and gave a dinner for the departing members on commencement day.

Showdown at Sawtooth

"Showdown at Sawtooth," a comic mystery by E. Clayton McCarty, was presented on November 18, 19, and 20 under the direction of Mr. Sanders.

In a lonely desert hotel near an old mountain called Sawtooth, Slim is doing a booming business because the pouring rain causes many travelers to stop at his hotel for the night. His first guest is Ben Lawrence, a ne'er-do-well prospector who has fallen in love with Martha Ward who owns a hamburger stand across the road. Others who seek refuge from the storm are the two Captain Cartwrights, Elmira Mabey, Professor Tuttle, and Lulu Hugger.

There is quite a tension caused by the supposition that an army bomber is due to go over the beacon which Slim tends. He and Martha have a premonition that something is going to happen. The air beacon is smashed, and Ben, who is the suspect, shows his own innocence by proving Lulu Hugger, Slim's pretended bride-to-be, guilty of sabotage.

Pride and Prejudice

A dramatization of Jane Austin's novel, "Pride and Prejudice," by Jane Kendal, was presented by the members of the Senior Class on April 21 and 22, 1944, under the direction of Miss E. Lucile Shipley.

Mrs. Bennet is out to find good matches for her five daughters. Jane, the sweet-tempered beauty, isn't likely to be a problem. In fact, she and the wealthy Mr. Bingley fall in love at first sight. But Elizabeth is so critical that her good looks hardly count. She rejects her cousin in spite of her mother's warnings that Charlotte Lucas is out to get him. (And Charlotte gets him!) Mr. Darcy is secretly attracted to Elizabeth but appalled by her mother's open matchmaking. When Mrs. Bennet practically announces Jane's engagement before Bingley has even proposed, Darcy decides to rescue his friend and whisks him off to the city. Jane is heartsick and Elizabeth is furious at Darcy. He returns to propose to Elizabeth but gets a prompt, "No," for, besides resenting his attitude, Elizabeth has been prejudiced against Darcy. The deep attraction between Elizabeth and Darcy, however, triumphs over the prejudice of the one and the pride of the other and they end happily. Jane and Bingley are reunited, Darcy and Elizabeth are happy, and Lydia marries the fascinating officer with whom she has been flirting. Mrs. Bennet is left free to concentrate on her two remaining daughters!

Masque and Wig presents "A Full House"

Fred Jackson's "A Full House" was presented by the Masque and Wig Club, directed by Miss E. Lucile Stepien on February 24 and 25, 1944.

The story concerns Ned Pembroke, who had written love letters to Vera Vernon, a designing clothes girl, and his attorney brother-in-law, George Howell. George tries to get the letters back for Ned before Ned's girl friend, Daphne, learns about them. In so doing he mistakes his traveling bag for the grip of a burglar who has stolen a necklace from Mrs. Pembroke.

The situation becomes very strained when Susie the maid attempts to get the necklace so she can claim the reward and go back to Sioux City. However, her efforts are rewarded by the police and the burglar, Nicholas King. George's wife, Ottily, discovers the necklace in George's possession and thinks he has stolen it.

The play ends on a comical note when Nicholas King, who is caught with the necklace, pretends to be a detective, returns the necklace, and claims the reward.

Ottily's faith in George is restored and Daphne and Ned are reunited.

The Choruses

The Choruses, under the direction of Miss Alice Brainerd, had many activities this year. The Victory Sings, which proved successful last year were continued; the Candle-light service was the highlight of the Christmas season; and the Chorus took part in a radio program.

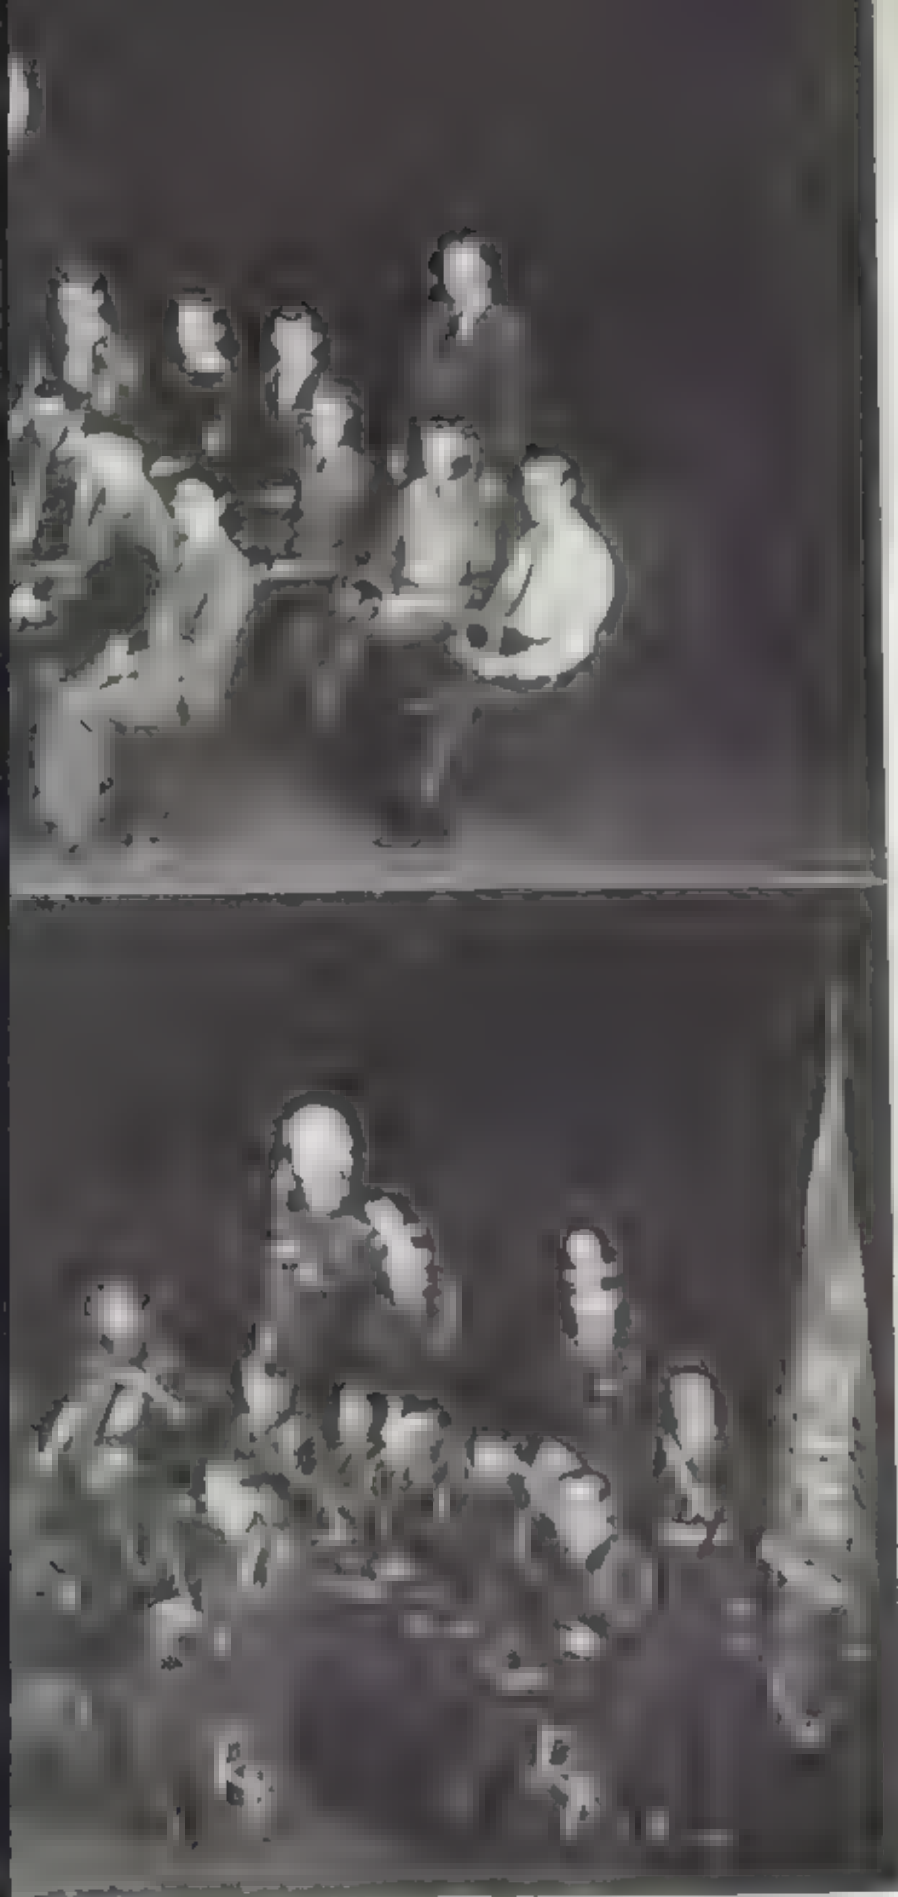

The music department presented an operetta "Shreds and Patches" from Gilbert and Sullivan, the proceeds of which went to purchase a War Bond.

In addition to the two mixed choruses there was help from the freshman chorus, girls' glee club, and a girls' sextet. They have had a busy and successful year.

The R.B. band and orchestra of 1943-44 were happy to welcome a new member, Mr. Hubert Edquist, who replaced Mr. Newmark in this position. Under his guidance our musical organizations aided considerably in the success of various school activities.

During their annual Tag Day campaign, the members of the band raised enough money throughout the villages of Riverside and Brookfield for new equipment and various necessary replacements. This year, as usual, the band provided peppy musical atmosphere at football games on the home field. Their formation marching proved to be unusual and effective. In addition to these, the band played at home basketball games and the pep assemblies. This spring the band presented several concerts at the Riverside and Brookfield grammar schools for the purpose of fostering interest in the high school band. The band and orchestra

presented a combined spring concert Sunday, May 7, 1944, which included many vocal and instrumental numbers.

By special arrangement with the Student Council and the Extra Curricular Board, worthy members of the band will receive letters instead of pins this year. The letters will be awarded on a merit basis. Requirements for letters include attendance, service, care of instruments, attitude, and musical ability.

Although not as active as the band, R. B.'s orchestra has likewise been busy. They provided excellent music at the annual Christmas Candlelight Service, and presented overtures at several plays. The orchestra's annual concert was held in conjunction with the band. Both band and orchestra played at Victory Sings and each gave a special assembly for the students' enjoyment.

Shreds and Patches

Our operetta this spring presented a combination of merry music, happy humor, and perplexing problems in the well-known style of G. K. Porter and Sullivan.

Harry Oliver, a young tenor, upon his employment as a singer of the Monaco Opera Company, discovers that the company faces financial ruin, and Mr. Darte, the director, has not had funds enough to pay the actors for the last show.

Harry manages to complicate affairs by falling in love with Jenny Lind Nearly, one of the company singers, whose millionaire uncle, Midas Goldentouch, wishes her to become a fortune so she will quit the stage and not marry an actor. Goldentouch offers to finance the company, but will produce a failure, starring Jenny. However, when he overheard a quarrel between Jenny and Harry, which is really brought about by the fact that Jenny saw Patti Zuviel, the company contralto, flirting with Harry, he realizes Jenny will be a success instead of a failure, therefore he threatens to withdraw his money from the show.

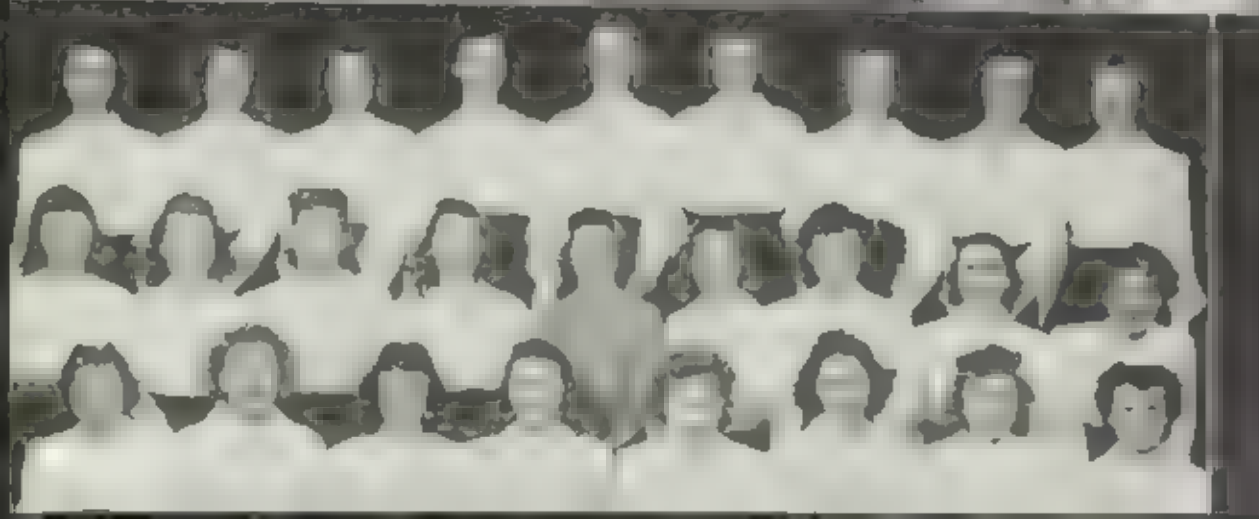

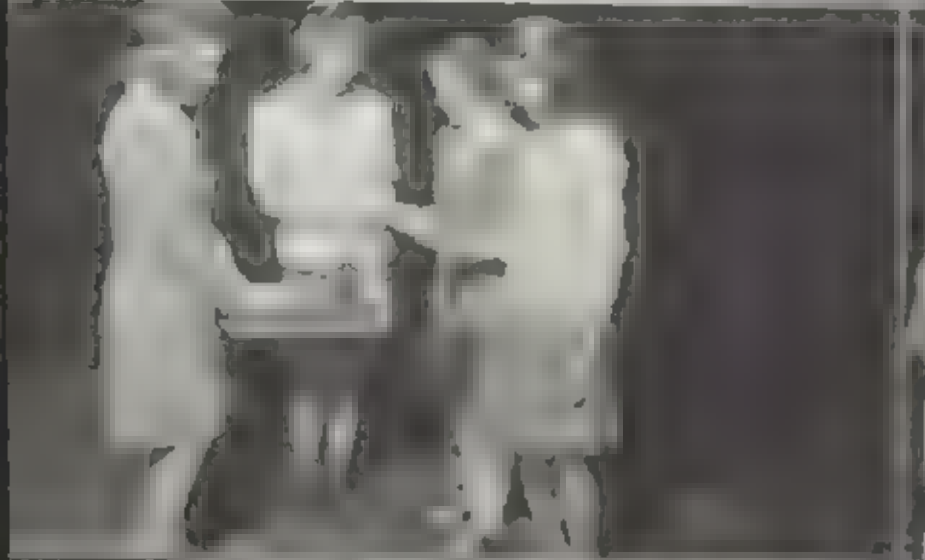

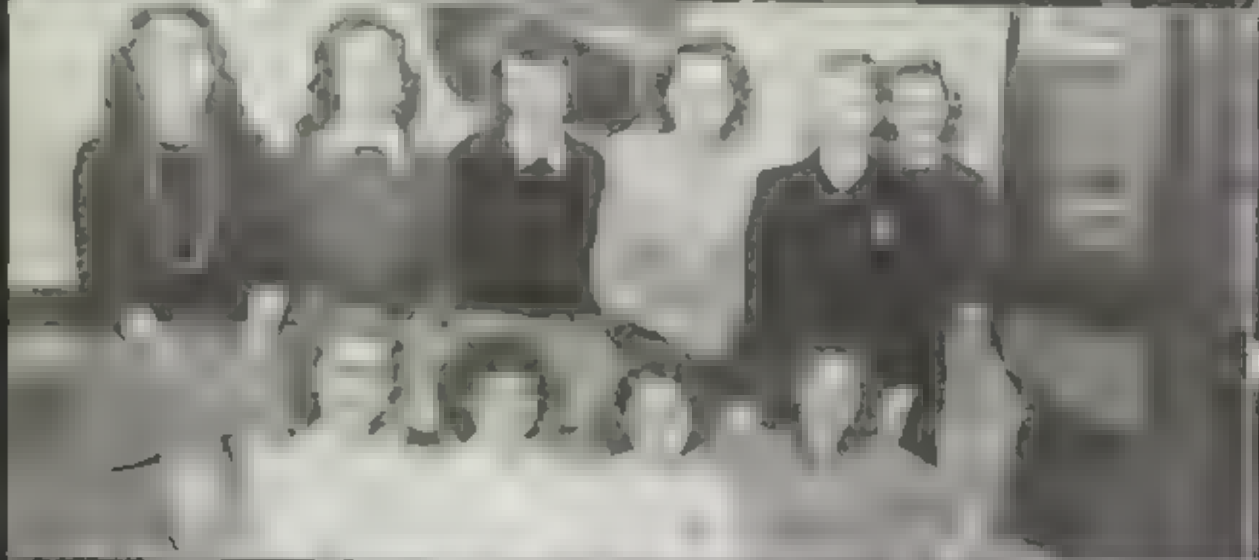

The producer, finding that Goldentouch is interested in Eileen Gray, persuades her and her fiance, Mr. Darte, that they owe it to the company to have Eileen marry Goldentouch so he will finance the company.

Just as Eileen is about to accept him, Patti Zuviel recognizes him as a long lost sister and claims him, releasing Eileen to marry Darte. Jenny and Harry are reconciled and plans for a triple wedding are under way as the curtain falls.

"SHREDS AND PATCHES" was presented March 18, 19, and 20, 1944, under the direction of Miss Alice Brainerd.

"THEY NEVER FAIL WHO DIE IN A GREAT CAUSE"

Our Riverside-Brookfield Township High School service flag at this writing shows 1010 alumni serving their country, with nine gold star boys. These are listed below.

The boys whose photographs appear in the front of this book were those who gave their lives in the cause of freedom prior to February 20, 1944. Since the first part of our book went to press we have received notice of one more who has paid the supreme sacrifice. We regret that we do not have his photograph.
